

# PALATHINKAL VARTHA PATHRIKA

NEWS LETTER OF PALATHINKAL KUDUMBAYOGAM

December 2008

## Message from your President

Dear family members,

Greetings to you.

As a member of Palathinkal Kudumbayogam, I had been feeling that we do not have communication between members to the desired extent. In order to improve the communication, Palathinkal Kudumbayogam Executive Committee, which met on 24<sup>th</sup> August 2008, came up with the idea of bringing out a Palathinkal Kudumbayogam News Letter on a regular basis. To start with, we decided to have two issues per year.

Here, we present before you, the first issue of the News Letter, which is named as 'PALATHINKAL VARTHA PATHRIKA'. Our intention is to see that the Vartha Pathrika reaches every member of the Kudumbayogam by post or email. We plan to have English version now and both English and Malayalam versions later.

I do hope that all of you will whole heartedly welcome this move and help the Kudumbayogam in its efforts to keep the members informed of all the news in our family.

Thank you all.

Isaac Palathinkal

### ***Palathinkal Endowment Fund***

Our objective is to have a sizeable amount in 'Palathinkal Endowment Fund', interest or income from which can be utilised for social service, mainly to promote education and all round development of younger generation in society, for Palathinkals or even for non Palathinkals. Since the amount now available with us is not sufficient for big projects, we can start the activities in a small way, by introducing few prizes for those securing first few ranks from M.T.Seminary school, Kottayam.

Members have already started contributing towards this fund. We expect generous contributions from our family members, without which we cannot succeed in our efforts. Since we morally owe it to the society, every willing member of our family is requested to contribute to this fund, any amount they can afford to spend.

Kindly send your contributions (if not already sent) to President, Secretary or Treasurer. **You may please draw your cheque in favour of 'Palathinkal Kudumbayogam'. We expect your whole-hearted support and contribution.**
